

## Campgrounds

Olympic National Park has 16 campgrounds from coast to mountains. Some are open year-round, others close or become primitive with pit toilets and no water during winter months. Check chart, [www.nps.gov/olym](http://www.nps.gov/olym) or call (360) 565-3131 prior to your visit.

### Reservations and Fees

There are no reservations except in summer at Kalaloch (877-444-6777 or [www.recreation.gov](http://www.recreation.gov)). Otherwise, individual campsites are available on a first come, first served basis. To get a site arrive early. Weekends are busiest. See back for cost; entrance fees do not include camping fees.

### Group Sites

Reservations are taken for the park's two group campsites. **Kalaloch:** (360) 962-2271. Phone reservations only, 10 person minimum, 30 maximum, 7 day maximum stay. \$20 non refundable reservation fee, plus \$20 a night up to 10 people, \$2 per additional person. Pit toilets, water, limited parking. **Sol Duc:** Phone reservations only, March 1 to May 15 at (360) 928-3380; May 16 to October 31 at (360) 327-3534. Organized groups only, 9 person minimum, 24 person and 8 stock maximum, 7 day maximum stay. \$20 reservation fee, plus \$1 per person per night. Vault toilets. Closest water at ranger station.

### Food Storage

Birds, rodents, bears and other common wildlife learn to search for any available food or scented item. Protect your property and help maintain healthy wildlife by securing food, dirty dishes, garbage and other smelly items. Please:

- ✓ *Store all food and scented items in your car trunk or an animal-proof food storage locker when not in use.*
- ✓ *Do not leave food, dishes, garbage or other smelly items unattended at your campsite.*
- ✓ *Keep a clean camp 24 hours a day!*

### Firewood

In campgrounds where wood is not available for sale by concession services, visitors may collect dead and down wood (smaller than 6" diameter) within 100 feet of campgrounds. Wood must be collected below 3,500 feet.

### Laundry and Showers

There are laundromats in most towns along Highway 101. There are no showers in park campgrounds. Find them in private or concession facilities, nearby state and county parks (Sequim Bay, Bogachiel, Dosewallips, Dungeness, Salt Creek) or the William Shore Memorial Pool, 321 E. 5<sup>th</sup> St., Port Angeles.

\* Primitive campgrounds have pit toilets only and no potable water. Call park information recording, (360) 565-3131, for status prior to your visit. Check the park's web site: [www.nps.gov/olymp](http://www.nps.gov/olymp) for more information. <sup>1</sup> Camping fees are not collected when these campgrounds are primitive.

- All campgrounds have animal-proof food storage lockers for bicyclists, walk-in sites or campers without vehicles.
- Most campgrounds provide potable water, flush toilets and garbage containers when fully open.
- Park campgrounds DO NOT have hook-ups, showers, or laundry.
- Individual sites have a picnic table and fire-pit usually with a grate.
